Ans.

Dear Madam:-

In response to your letter of July 21st, if the collection of which you write is not an excessively large one we should probably be able to give an approximate valuation, if he will bring it to our Society at any time. We are very glad to offer this service without cost if the collection is not too large..

As you say that this member has only a possible idea of selling the collection, it seems to me that this is a more satisfactory way.. Our Curator is absent on his vacation at the present time, but we are expecting his return within a week. I should suggest that you telephone and make an appointment with him sometime after August 1st. If it is not convenient for you to wait until that time kindly let me know and I will give you the names of two or three dealers from whom you will be able to secure reliable information.

Very respectfully yours,

Sydney P. Noe
